CERTIFICATE OF ARRA

ISSUED BY

SAGINAW CONTROL & ENGINEERING

95 MIDLAND ROAD

SAGINAW, MICHIGAN 48638

American Recovery and Reinvestment Act of 2009

Electrical Enclosures provided by Saginaw Control & Engineering, are a domestic manufactured good as defined at 2 CFR 176.140(a) or 2 CFR 176.160(a), as applicable, assembled, tested and integrated in the United States prior to shipment to the project site. The American Recovery and Reinvestment Act of 2009 (ARRA) contains a Buy American provision in Section 1605. Based on currently available guidance on this provision, Saginaw Control & Engineering has reviewed and understands the Buy American Requirements and all iron, steel and manufactured goods have been produced in the United States in a manner that complies with the Buy American provisions of the ARRA as they relate to a Federal funded project.

Saginaw Control & Engineering hereby certifies that Enclosures Manufactured by Saginaw Control & Engineering are manufactured and assembled in Saginaw Mi USA with domestic iron, steel and/or manufactured goods in accordance with the 2009 ARRA Buy American requirements in accordance with the above referenced standards.
