Sir or Madam:

This letter addresses the Federal Acquisition Regulations rule that took effect on February 17, 2009. All Belimo Americas' products are either fully produced in the United States, or:

- a change in the physical properties or characteristics altered the functionality of the product(s), or
- the manufacturing resulted in a change of the product(s) with one use into a different use, or
- the manufacturing narrowed the range of possible uses of a multi-use product(s)

In addition, the manufacturing of Belimo product(s):

- takes a substantial amount of time, and
- are costly, and
- require high level skills, and
- require a number of different operations, and
- add substantial value

Thus, all Belimo Americas' products, as detailed in the current Product Guide and Price List (PGPL), conform to the Buy America Act.
